To serve customers throughout the shop and at the til.

Offaly, IRE
Sept '14 - Aug '15

Kitchen Chef - **McDonalds**
To cook a vast range of McDonalds products and maintain the kitchen to a high standard.

PROJECTS

- For my final year project I am prototyping an AI chatbot for promoting the daily management of ones Mental Health.

EXPERIENCE

- Improving upon the user experience of Mentor Graphics EMEA Sharepoint and individual facilities websites during internship.
- Designing and improving upon the user interface of each Mentor Graphics location in the EMEA area. 50 plus sites.
- Building wireframes to improve the user interface and standardise the layouts of each EMEA facility website.
- Conducting user interviews of heavy users of the Sharepoint site to find out the major painpoints on the Sharepoint site.
- Designing and conducting usability testing of a new Information Architecture for the EMEA Sharepoint site.
- PR officer of the UMLS DJ society where as a team we organise and promote events for the society, masterclasses and tutorials.
- Organising music events and DJing within the Limerick area with CABAL (cabal.ie) who are a local limerick clothing and music collective who's aim is to promote Irish artists. Events with plus 400 attendees.
